In our Basic course, the master as well as the dog will be learning some important lessons in training that will be used throughout the dog's life. Proper use of the "training" collar and the leash will be emphasized along with controlled heeling, sit-stay, down-stay and come when called. Other training techniques you will be learning are the correct use of your tone of voice and the importance of having a good attitude.

To assure your position in the Puppy Class, Basic Class, or the Advanced Classes, we urge you to forward your completed contract with fee (fees are listed on the attached contract) to us immediately.

NOTE: Trainees must be 15 years of age or older. Due to safety concerns, we do not allow younger trainees.

NOTE: PAYMENT BY CASH, CHECK OR MONEY ORDER (checks require presentation of driver's license)

Places in the classes are awarded on a PAID, *first-come, first-serve basis*.

Basic & up: We require proof of your dog's shots; bring your vet's papers with you the first night. Without this documentation, you will not be allowed to train your dog with us. This is for the safety of your dog as well as the others. All dogs will be using a "training" collar and a 6-foot leather leash. If you do not have these, they can be obtained at Dunes Dog Training Club at a reasonable cost. Also bring small soft treats for training.

Puppy Note: We require that you provide proof that your puppy is current on his/her vaccinations. You will need a regular (buckle or snap-in) collar, a 6-foot leash, treats, and a toy.
